Rev. Sergio Tristan, Pastor

Pardeeville United Methodist

April 2021

As we approach a new season and see signs of Spring's arrival, we see a better opportunity to move more freely around our city and region. We see God's work and changes to life as the trees, flowers, and all of nature begins to bloom given us a sign of hope and beauty. !)

Definitely, it has been a hard winter. (I never see so much snow in my life before!)

Please join us in praying for our church as we watch the recent trends in public health. As the temps climb up and the case counts descend, and as vaccinations increase, we are hoping to be able to enjoy a fuller experience in our faith community. Some of us have been vaccinated and some start coming back to church, yea! Praise be to God! I am hoping by this summer will be open full to all in person. For now, we will continue meeting in person and online our Youth and small Bible Studies group will continue meeting with all protocol's requirements.

The last Sunday of this month will be Palm Sunday and then the first Sunday of April will be Easter. These two Sundays could be a great opportunity to come in person also, we will have good Friday service where you will hear the seven last words of Jesus and finishing in prayer then on Saturday, we will have an Easter egg Hunt for kids in the church premises. Sunday we will celebrate the resurrection of our Lord Jesus Christ with at our regular service. We are planning for a great time of worship and teaching that will focus on God's love for us and Jesus' demonstration of sacrifice. Please plan to be here to celebrate all that these days commemorate.

My hope for all of us in this 2021 fast moving year is that we will all grow in our love for the Savior and experience a stronger presence of His Spirit in our lives daily and when we come together to share in the fellowship of our faith. I hope that we will be inspired to go out to our neighbors, co-workers, family, and friends and tell them the great things God is doing through His Holy Spirit in our hearts and lives. Our Sunday experience in person and online is such a blessing but it is really only a very small portion of all God wants for us to experience in our lives as we walk in obedience to His Spirit and in community with one another.

We know how much God love us and many times we messed things up, but He kept loving us. In The End, He sent His Son to help us. Jesus' obedient gift was the culmination of God's grand redemption plan. Now, all we need do is respond to His love with faith, believing that His death on the Cross was for each of us individually and all of us collectively. What a great and simple message,

God loves you (John 3:16) Jesus proved it (Romans 5:8). We who know God and His redemption have all been transformed by this simple truth. And we have become the bearers of that message through “the blood of the Lamb and the word of our testimony.” Revelation 12:11. This gives us overcoming power to live each day victoriously.

I love Resurrection Sunday so much! It is the marker of completion for God’s redemption plan which began in the Garden of Eden thousands of years before. It is the statement of God’s openness for all people who have come into the world since that day. Jesus came to die, and He died to save me and you of our sin. Faith in that message transforms our relation to everything and everyone. I am “feliz,” happy that this could be true! Mercifully, it is true. I hope that you will be “feliz” as well.

On a personal note, I thank you for so many of you are praying for me as your pastor for Patty, and the kids on a regular basis. I feel your love and appreciate it, thank you again and let keep each other in prayers.

In His love,
Pastor Sergio

Thank You

Thank you to everyone for your prayers, cards, and calls while I was recovering from surgery.

Karen and I appreciate you all very much!

Love, Curt

CHILDREN'S MINISTRY

After over a year of restrictions on our in-person Sunday School activities due to COVID, we are planning a special Easter activity to safely get the children together. Preschool (3 years thru 5K) and Elementary (1st thru 4th Grade) aged children are invited to EASTER EGG HUNT ACTIVITIES on Saturday, April 3rd at 10:00 a.m. at Pardeeville United Methodist Church.

Each child may invite a friend to join them. When they arrive, Children will decorate their own Easter Bag to collect eggs, so they won't need to bring an Easter basket. Wrapped healthy snacks will also be offered indoors before they begin to hunt for candy-filled eggs. Children will be encouraged to wear masks for activities unless eating.

Families are asked to park on the street because the church parking lot will be used for the Egg Hunt. At least one adult should accompany the children they brought.

Parents and Grandparents, who have been participating in our church services in-person or on-line, are welcome to bring their children. Please phone the church office (608-429-2514) to provide your name, contact information, and number of children attending. You may also call/text this information to Kathy Sommers (608-216-4251).

HAPPY EASTER AND BLESSINGS TO ALL!

April Schedule (6-7 p.m.)

Sunday , April 4 , No Youth Ministry Meeting

Sunday, April 11, Youth Ministry Meeting

Sunday, April 18, Youth Ministry Meeting

Sunday, April 25, Youth Ministry Meeting

Our youth have been on the road to Lent with the study From Death to Life. A series of studies that allows youth to think deeper about the themes of lent: being found in Christ, forgiving others, loving ourselves like God loves us and more! Youth Ministries continues to grow, we ask that you pray for us.

We Need You!

Youth Ministries has to projects YOU can be part of:

Have you noticed our basketball sets? They need an uplift! We are asking for your contribution to repair or to get new ones. As Spring and Summer approaches, more kids are coming to play in our backyard. We need to raise money to buy news, that is our preference, something that would be of better quality and sturdier. If you would like to contribute, please talk to Patricia Tristan.

Camp is approaching! We have several youths that would love to enjoy a week at Summer Camp. We are looking for sponsors to gift \$100 scholarships. Camp is a lifetime experience that build memories and long-lasting friendships. For more information on how to be a sponsor, please contact Patricia Tristan.

Big Thanks!

Thanks for providing candy for Youth Ministries! You are awesome and we continue to pray for you guys as you support our efforts to reach the youth in our community.

THE PARDEEVILLE LIONS CLUB is starting a new recycling program to help save our landfills. The following is a listing of the items that can be recycled. Our church is planning to help with this worthwhile program. There will be a collection bin at the church by the elevation that you can bring your items and place in the bin. If you have any questions feel free to call Doug & Joyce Hare at 608-429-3221 or 608-617-9240 Doug's cell. Thanks for your help with this project.
